# Greetings!!

Wow, it's May, and I have never been in such a whirlwind of activity since the holidays. So, I will keep this part of the newsletter short, because pictures are worth a thousand words.... After the holidays, we packed and in February we moved into our new site-1351 Logan Avenue. We have been unpacking and getting organized these passed weeks and it's really coming together. The first floor is opened for business and we are seeing clients and helping those who come through our doors.

In March we hosted a three-day Open House and had 100 people take a tour of our facility. Thank you to Blair County Chamber of Commerce for being a part of our ribbon cutting ceremony. What a great time of food and fellowship!! Thanks to Rustic Catering for the great food.

On April 21<sup>st</sup>, we enjoyed the Sunshine as we made our way through Tyrone during our Yellow Umbrella Walk. We had about 50 people in attendance and raised over \$700 in gift cards for our clients.

May will bring about more plans, more changes, more clients. We are meeting needs for those in extenuating circumstances, doing ultrasounds, speaking to women about relationships, and walking alongside families with provisions for their baby. We are still looking for models who are either first or second trimester for our ultrasound practice trainings.

The summer will bring Faith Day, another Open House, and plans for our Annual Fund-raising Banquet. Mark your calendars for Thursday, November 1<sup>st</sup> at 6:00 at New Life Worship Center in Pinecroft to hear Anita Keagy share her heart at our banquet. So, you see, much is happening here at ELM.
